PHILLIPS ACADEMY,

ANDOVER, MASS.

Established 1778.

CECIL F. P. BANCROFT, LL. D., L. H. D., Principal.

The Academy prepares large classes of young men for the colleges, the scientific schools, and in some cases for the professional schools. One hundred and sixteen candidates went to colleges last year.

The Faculty consists of sixteen professors and instructors.

The pupils last year numbered four hundred and forty, over one half of whom were from New England, and the others from more distant places.

The next year begins Sept. 13, 1893, and closes June 21, 1894, with vacations at Christmas and at Easter.

The expenses vary from \$250.00 to \$500.00 a year, according to the accommodations selected.

The income of the benevolent funds and scholarship endowments amounts to five thousand dollars a year.

The present needs of the Academy are funds for teaching and for buildings, and for various current uses.

For further information, and for copies of the annual catalogue, address PRINCIPAL BANCROFT.

ABBOT ACADEMY,

ANDOVER, MASS.

Abbot Academy, founded in 1829, is a seminary for the higher education of young women. It presents extended courses in Latin, Greek, French, German, History, Literature, and Science. It provides the best facilities for Music and Drawing. As the seat of several educational institutions, Andover offers many incidental benefits, while its proximity to Boston renders the advantages of that city easily available.

Draper Hall furnishes boarding accommodations for all students of English and German, distinct floors for Music and Art, a well-lighted Reading Room, and the Library. There are suites of two rooms, a parlor and a bed-room, for two persons; large double rooms, and a few single rooms. All who study French live in Smith Hall, where that language is the medium of conversation, except in recreation time. In this Hall there are only single rooms.

The College Preparatory Course gives certificate to any College that admits on certificate.

The total expense, for board, including fuel, lights, and washing, and for tuition, except music and drawing, is \$400 per annum.

The sixty-fifth year begins on Thursday, Sept. 14, 1893. Apply for catalogues to W. F. DRAPER. For information or admission to the Principal,

ATLANTA UNIVERSITY,

ATLANTA, GA.

REV. HORACE BUMSTEAD, D. D., PRESIDENT.

The Institution has 600 students, under 28 officers and teachers, in all grades of study, from the primary school up through grammar, normal, and collegiate courses.

Industrial Training is given to boys in wood-working, iron-working, mechanical drawing, printing, farming, and shoemaking; and to girls in printing, cooking, sewing, dress-making, laundry work, and domestic economy.

The religious training given is thoroughly Christian, but strictly unsectarian. An eminent Georgian recently said: "The public school teachers furnished by Atlanta University have not only the education, but also the *character* needed, and they do as good work as is done in the white schools."

The 238 graduates from normal and college courses are spreading their leavening influence through Georgia and surrounding States. More than two thirds are teaching, many being principals of city schools. Hundreds of undergraduates are also teaching every summer. As many as 15,000 children are taught annually by teachers trained in the University.

The Property consists of sixty acres of land within the corporate limits of Atlanta, four large brick buildings, substantially but very economically built, library of 7,000 volumes, apparatus and industrial equipment. Besides about \$26,000 of invested funds, mostly scholarships, it has no endowment.

An Endowment of at least \$500,000 for current expenses is urgently needed, and until it is secured an appeal must be made for annual scholarships to carry on the work now organized.

An annual scholarship of \$40 for each student will cover the cost of tuition over and above the nominal tuition fees paid by the student. Sunday schools, Christian Endeavor societies, and individuals frequently furnish one or more of these scholarships.

Legacies should be made payable to "The trustees of the Atlanta University in Atlanta, Ga."

THEOLOGICAL HALL.

Fisk University has in successful operation the following departments :

- I. THE COMMON ENGLISH, which has been maintained to meet a continued need on the part of many of the patrons of the University.
- II. THE NORMAL, which has a course of study extending over four years, beginning with Latin and Algebra.
- III. THE COLLEGE PREPARATORY, which has a course of study extending over three years, beginning with Latin and Algebra, and requiring two years of Greek.
- IV. THE COLLEGE, which has a four-years course of study additional to that provided in the College Preparatory course.
- V. DEPARTMENT OF MUSIC, with an extended course in both instrumental music and voice culture. There are 150 pupils in this Department. In addition, vocal music is taught throughout all the courses of study. The Mozart Society studies and renders the Classics in music.
- VI. INDUSTRIAL. Printing and Carpentry are taught to young men. The young women are instructed in Nursing, Cooking, Sewing and Printing.
- VII. THEOLOGICAL. For the use of this Department the building represented by the above cut has been erected by the American Missionary Association. The course of study extends over three years.

The University has a campus of over thirty acres, with buildings and other appliances for its educational work, which could not be replaced for \$350,000. Number of students 521.

The University is without endowment. The annual expenses, above the small income from students, are met by voluntary contributions, made directly to the University, or through the American Missionary Association which founded the University, and has continually fostered it. **THE DEMAND IS NOW IMPERATIVE FOR AN ADEQUATE ENDOWMENT.** Haply some one reading these lines may find pleasure in helping towards this endowment.

The Scholastic Year, 1893-94, will open September 25th.

INTRODUCTORY.

The YEAR-BOOK is later by two weeks than last year. The reports from the churches were more tardy, and several of the larger States were slower than usual in making returns. California and Iowa did not come up to their usual standard; and Kansas and New York were belated. The lists of ministers of these two States were not received until June 7 and 8; and the issue of the YEAR-BOOK within one month from that date has required very diligent work on the part of editor and printers.

It ought to be said, on the other hand, that some of the States have done better and more prompt work in their reports than ever before. Oregon and New Jersey have secured complete returns in January, and reported, in *print*, in February, and Nebraska has also reported in print not much later.

It is so important that other secretaries should secure the same prompt results that it seems worth while to invite them to read what one of their brethren has to say of his method, and we quote from the New Jersey minutes:—

“The secretary’s historic lamentation over the tardiness of church clerks in sending him their reports and the unwillingness of pastors to receive his admonitions and warnings, is a thing of the past. Last year the secretary reported progress; this year, the practical achievement of the ideal. A new plan was tried in sending out the blanks for reports, by which the first day of February was set as a time limit beyond which the secretary would not feel obliged to wait for any report. It was a hard and oppressive measure; that was the general verdict. Intimations were not wanting that the secretary was unduly magnifying his office; the words ‘Czar’ and ‘Tammany Boss’ lingered in the minds of some, while others energetically inquired, ‘Are we in *America*, and are we *Congregationalists*, or not?’ But—oh, how the reports did come in! Every report, but one, was sent by Feb. 1, the limit set, and that one apparent delinquency was justified by a change in the pastorate. The result was that, for the first time in seven years, every church was reported: by the middle of February the tables were in the hands of the printer, and by March 1 mailed to the National Secretary for the YEAR-BOOK. The value of setting a time limit seems to be vindicated. The observations of the clerks and pastors referred to were, of course, all good natured, for the reasonableness of the method was apparent to all, and all most heartily responded to it.”

So far secretary Paton, whose vivacity in his story does not exceed his skill and diligence in doing his work. If other local reporters can catch his spirit, and “achieve the ideal,” we will surprise the churches by an early YEAR-BOOK in 1894.

Let it not be inferred that many other reporters have not the same spirit and are not doing their best with as much zeal as the Oregon and New Jersey secretaries. The editor of the YEAR-BOOK has better opportunity for knowledge on this subject than any other man, and his enthusiasm can be very quickly stirred when he has opportunity to speak of the character of several of the State secretaries, and the capital work they are doing for the churches. It may be doubted if as much expert work for so small pay is done by any other class of men in the country; and the popular appreciation of their work is too often about on a par with the pay they receive. When the churches are ready for a more adequate compensation of their State and local reporters they will be in better position to ask for or to demand the best work, and to criticise the absence of it.

One larger State, Vermont, has adopted the New Jersey plan of a time limit, and has authorized its secretary to fix such a reasonable date as he deems best, within which reports must be received; and the suggestion is worth considering by others, whether they could not profit by the example. This editor has no doubt that the statistics of a conference of 100 churches can be gathered, by a wide-awake secretary who brings skill and vigor to his work, more easily in one month than in two; and

that when January is fixed, all around, as a limit for reports, the churches will be more fully heard from than by the tardy methods of the past.

The churches which excuse a tardy report by the plea that their church meeting has not been held are not reasonable. The Council and the churches ask for their report on the *first day* of the year, not for the possibly more complete report which they could make at some other time. The gain in value of such a report from delay is more than offset by the trouble and sacrifice of waiting for it. If churches must wait for their annual meeting, before making report, no common date for our statistics is possible, for these meetings occur in every month in the year. If we must wait for the January churches, the reason would then be just as strong for waiting for February churches, and April, and a common date for reports disappears as a possibility.

Any church which keeps a proper record of its life and work can make such report as the YEAR-BOOK asks, at any time, and there is no date at which it can be so easily and usefully made by all as the first day of January. The church which would prefer a later date may reasonably be asked to sacrifice its own preference for the convenience of the greater number, and does not show a fraternal spirit in refusing or neglecting their request.

If by any miscarriage the blank for report has not been received, they should know the local secretary who has them and call on him for it; or should make report to him without it. The items asked for are the same substantially from year to year.

Inaccuracies in the list of ministers are far too numerous, and the failure of many, whose names are enrolled, to see to it that the YEAR-BOOK is informed of their post-office changes, is surprising. Every minister who makes such a change, after Jan. 1, ought to notify both the local secretary, who reports his name, and the editor of the YEAR-BOOK, to make sure of correct report. In doing this, care should be taken to specify, not only the post-office, but the position of the minister in his new location, whether pastor by council, or uninstalled, or without charge. This the YEAR-BOOK wants to know and give, but cannot promise to do it, accurately, by guess.

Another source of frequent confusion is carelessness about *first* names and initials. The perplexities of the editor in his effort to give correctly the lists of the Browns, Davies (or Davis, often confused, among our Welsh friends), Evans, Griffiths, Jones, Merrills, Robinsons, Smiths, and others, would be amusing to describe, but are very serious business for him, and in the inevitable errors which result, very annoying to those who use the YEAR-BOOK. Some secretaries never omit a first name, or a middle initial, or an ordination date, where it is called for, and have the untold thanks of all who edit or use this YEAR-BOOK. Why will not all go and do likewise, and earn similar gratitude? If you do not *know*, postals are cheap, and you can easily ask, and save those whom you are serving much trouble.

"These are trifles," do you say? But the completeness, accuracy, and consequent value of the list are not trifles, and cannot be secured unless these items are looked after: and every secretary, or reporter, not to say, every Congregationalist, is reasonably expected to take pride and interest in making our YEAR-BOOK as perfect and free from error as possible.

Attention is called to the statistics of independent Sunday Schools, at page 371. For the publication of these, provision was made by the last National Council. This first issue must lack completeness, but improvement can be made in future.

The summary of the religious statistics, gathered in the National Census, must be found very interesting by all students of our religious life, and very suggestive of important lines of effort. Our Protestant forces greatly need concentration.

From report of the Finance Committee, — Page 281, Minutes of 1892:

"We find that balance of cash in the treasury amounts to but \$220.19, while the expenses of this Council with the publication of the Minutes will make a large immediate demand upon it. We would therefore urge upon our State bodies the importance of making prompt payment of past dues, and also, at the earliest practicable moment, of the amount assessed for the current year."

RELIGIOUS STATISTICS OF THE UNITED STATES.

From the Census of 1892.

In 1892 the YEAR-BOOK was enabled, through the courtesy of Dr. H. K. Carroll, of the Census Bureau, to give an advance statement of the Congregational Statistics gathered by the Census in 1890. The final, fifteenth, bulletin of the series, which has given the religious statistics of all denominations, was received June 30, and the editor of the YEAR-BOOK is glad to give a summary of the Statistics of the Churches of all denominations for the country, as shown by the National Census. The items given are the number of organizations, the value of church property, and the number of communicants, or members.

For the arrangement, the editor is in most cases responsible, and he presumes it will be found open to criticism in minor points. It has necessarily been made in haste, and with no opportunity to examine cases of doubt. If some of the totals prove to differ slightly from the final official tables, it should be remembered that the Bureau has had opportunity to revise and correct its own work, while the totals here given rest on the original bulletins.

CONGREGATIONAL CHURCH, WAKEFIELD, MASS.

The walls of the new church in Wakefield, Mass., are of two shades of gray granite, from quarries in Monson, Mass.; its roof a light gray green slate from Fairhaven, Vt., while all metal work in connection therewith is of copper.

Externally the principal features are the large square tower on southeast corner, rising to a height of one hundred and eighteen feet, with its ornamental belfry of clustered columns and carved capitals, the massive arch spanning an open porch at the chief entrance, and the three round staircase towers, two on the south front of the building on Church street, and one on the northeast corner on Lake avenue.

The style of the edifice is a simple, harmonious development of Byzantine-Romanesque.—form and color, rather than an elaborate detail, being relied upon for architectural effect. The more prominent parts alone are enriched with carving.

The general plan is somewhat in the form of an L, the main body of the church extending north and south, while the Sunday-school rooms, library, class-rooms and ladies' parlor are contained in the wing. The main audience room is entered from the south, through an open porch and vestibules, and is seventy-one feet by ninety-one feet. The floor has a pitch of one foot, six inches, and contains seven hundred and fifty seats, all pews radiating to a centre, thus making every seat equally available. At the south end of the room is erected a gallery to seat one hundred. The entire decorations are of the Haberstroh relief process, the richer parts being

placed for the best architectural effects. The room is also greatly enriched by beautiful memorial glass so freely given, and which fills the large groups of windows north and south, also most of the smaller windows on the east side.

The entire finish of the auditorium and its approaches are of quartered oak, including the fine, open-timbered roof.

The pulpit, communion table, and platform chairs are made from the oak frame of the old meeting-house, erected in 1768.

The Sunday-school room, which may on occasion be added to the audience room by means of sliding sashes, is forty feet by sixty feet, seats four hundred, and is finished up into roof, part of roof-frame showing. This room together with primary room, ladies' parlor, class-rooms, library, and all others contained in this wing, are finished in cypress and have hard-wood floors. A noticeable feature is an arcade on the west side of Sunday-school room into a gallery on the second floor, which communicates directly with the class-rooms.

The basement contains dining-room, kitchen, toilet rooms, etc.

The entire building is heated by steam, direct and indirect, with thorough ventilation in all parts, and is lighted both by gas and electricity.

Messrs. Hartwell and Richardson, of Boston, are the architects, with whom the contractors, Messrs. Darling Brothers, of Worcester, have labored harmoniously for the completion of the edifice.

NOTE. — The limitations of the tables do not in all cases admit exactness. * In the table of theological education, students who did not graduate are counted, and without distinction from graduates; but a name occurring in more than one seminary list is not repeated; and in the college lists, a few students who were not alumni are counted with the graduates.

The editor renews his earnest request to friends and to the secretaries of the State bodies for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond, it is impossible to use here.

REV. A. N. HITCHCOCK, PH. D., 151 Washington Street, Chicago, Ill.

The American Board, the oldest Foreign Missionary Society in the United States, was formed at Bradford, Mass., June 29, 1810, and held its first meeting at Farmington, Conn., Sept. 5 of the same year. Its mission fields now occupied are Mexico; the Hawaiian and Micronesian Islands of the Pacific; Japan; Northern China; Shansi in Northwestern China; Foochow and Canton and vicinity in Southern China; Ceylon; Madura in Southern India; the Marathi field in Western India, including the important centres of Bombay and Ahmednagar; East Central Africa; the Zulus of Southern Africa; West Central Africa; Eastern Turkey, from Mosul to Erzoom, including Mardin, Bitlis, Van, and the educational centre, Harpoot; Central Turkey, including the important cities of Aintab, Adana, and Marash; Western Turkey, from Trebizond to Constantinople, including Marsovan, Sivas, Cesarea, Smyrna, Brousa, Nicomedia, and Adabazar; European Turkey, from Constantinople to Samokov in Bulgaria, including Monastir in Macedonia and Philippolis in East Roumelia; Austria, emphasizing the Bohemian work in Prague; and Northern and Northwestern Spain, this work centring in San Sebastian, on the Bay of Biscay.

This wide-extended work embraces direct evangelistic effort through missionaries and native helpers; an immense educational trust, extending from the primary school to the college and theological seminary; Sunday-school instruction; the preparation, publication, and circulation, in different languages, of books, tracts, and newspapers; assistance in the erection of buildings for churches and schools; grants in aid to feeble churches and to native home-missionary societies; the humane service of missionary physicians, sometimes in the care of large dispensaries and hospitals; also charitable ministry, continuous and varied, to the sick, the poor, and the oppressed.

Pastors, in presenting the foreign work to their churches, are desired to emphasize this fact — that these several departments of labor on the foreign field are carried on under one administration, and that contributions, therefore, should be proportionately enlarged. If one half of the benevolent contributions of the churches should be given to this broad work of reaching the unevangelized millions of other lands, it would probably not be too large a proportion.

The Woman's Boards, which co-operate with the American Board, are doing a royal service, not only securing — mainly from the women of the churches — large contributions, — the annual average of which, during recent years, has been over \$140,000, — but also educating and training children and young people to an intelligent interest in missionary work. These Boards can be addressed at No. 1 Congregational House, Boston, at 59 Dearborn Street, Chicago, and at 1316 Mason Street, San Francisco.

The latest statistics of the American Board report 20 missions, 1,221 stations and out-stations, 534 missionaries and assistant missionaries, 2,600 native laborers, 434 churches, with over 40,000 members — over 3,500 of these received on confession of faith during the past year, — 141 high schools and seminaries for young men and young women, with nearly 7,500 students and a total of over 47,000 children and youth under Christian instruction. The appropriations for 1893 already amount to about \$750,000, and it is desirable that the receipts for this year should reach, if possible, \$1,000,000. An average advance in donations of about fifty per cent will secure this honorable record. Attention is called to the *Missionary Herald*, the *Mission Dayspring*, and *Life and Light*; also to the *American Board Almanac*, and to the CHILDREN'S MORNING STAR MISSION, a special for Sunday schools. Our main instrumental reliance is upon the pastors of churches, themselves full of missionary information and zeal.

AN HISTORICAL SKETCH.

During the last week of July, 1815, a few individuals in Boston, impressed by the belief that the religious welfare of the country demanded a great increase in the number of ministers and missionaries, invited several clergymen from neighboring towns to meet them for consultation.

Their deliberations resulted in a vote that it was expedient that a society be formed for the purpose of aiding young men having talents and piety, but no money, to acquire an education for the work of preaching the gospel. A committee of six clergymen and four laymen "was appointed to frame a constitution to be reported at a future meeting." According to adjournment, the next meeting was held in Boston, the 29th of the August following, and was attended by about fifty gentlemen. A constitution was reported, discussed and adopted, and the meeting was adjourned to Oct. 26, at which time a sermon was delivered by Eliphalet Pearson, D. D., and a collection taken.

For reasons not reported, it was voted to postpone the formal organization of the Society to the 7th of December, when the following gentlemen and others were elected officers:—

HIS HONOR, WILLIAM PHILLIPS, Esq., *President.*Rev. JOHN CODMAN, *Cor. Secretary.**Directors.* — ELIPHALET PEARSON, D. D.; ABIEL HOLMES, D. D.; DANIEL DANA, D. D.; Rev. JOSHUA BATES; Rev. BROWN EMERSON; Rev. ASA EATON; EBENEZER PORTER, D. D.

The Society thus organized was legally incorporated Dec. 4, 1816.

The state of feeling as to the importance of the work proposed by the Society was indicated by the tenor of the opening sermon above referred to.

It was devoted in large part to a statistical exhibit of the country's condition as to the supply of the ministry. The preacher affirmed that in the nine Western States and Territories there was a population of 1,078,815, among whom all told there were but 116 ministers, — leaving at the rate of one minister for 1,000 people, 962,815 inhabitants destitute of a regular ministry. On the same principle, he declared that there were 2,071,670 similarly destitute in the Southern States; 1,863,945 in the Middle States; and 1,471,670 even in New England. Or, as presented in summary, out of 8,500,000 the entire population of the United States and Territories at that time, 6,500,000 were destitute of an educated ministry. In view of this, it was the affirmation of the preacher "that in the whole Christian world there is not another country, containing one-fourth part as many inhabitants, so deplorably destitute of competent religious instruction as the people of the United States."

Under the impulse of such convictions, there could have been no delay in entering vigorously upon the object for which the Society was founded. During the first eleven months, \$4,000 for immediate use were raised by solicitation amongst the churches, and forty young men of hopeful piety, belonging to different States between Nova Scotia and the Mississippi Territory, were brought under assistance in different stages and seats of learning. The second report of the Society showed the existence of a wide and generous enthusiasm for the cause. Auxiliary societies of young and old were formed in many counties, both in Massachusetts and other New England States. Special praying circles, reading circles and Cent societies came into being for the promotion of the object; and the poor as well as the rich gave with willing hearts. In one case there was an entry in behalf of the cause of a pair of "gold ear-rings equal to \$1.25"; in another "a string of gold beads equal to \$7.00";

and still another, "\$2.00 from two young ladies at school, out of their pin money." During the first few years of the Society's work, contributions came in from Presbyterians as well as Congregationalists, from the Middle and Southern States as well as from New England. But receipts from other denominations were but temporary. For the most part, during the seventy-five years of its existence, the Society has been distinctively Congregational, having raised in this time, all told, something like \$2,500,000, and having aided nearly or quite 8,000 young men.

The Society for the promotion of Collegiate and Theological Education at the West came into being as a necessary outgrowth of the work of the American Home Missionary Society. It early appeared that the institution of higher Christian learning must go hand in hand with the movement to preach the Gospel and to establish churches in the rapidly opening districts of the great West. The work of soliciting funds for this object was for some years carried on without organization and by individuals who, in the interest of Home Missions, felt a personal responsibility for the establishment and maintenance of this class of schools. But the results of such solicitation proving largely inadequate to the great work in hand, it was felt to be of vital importance that the work for the object henceforth be carried on under some organized form.

To this end, a meeting was convened by the presidents of several Western colleges in the Tract House, New York, May 10, 1843. Such men as Lyman Beecher, Absalom Peters, Samuel H. Cox, Joel Linsley and Edward Beecher were present and made addresses.

A strong and unanimous opinion was expressed that an organization be formed, and a committee, including the names of Peters, Beecher, Bacon and Linsley, was appointed to consider and mature a plan. At an adjourned meeting, a constitution was proposed, and at a subsequent meeting, June 29, a constitution was adopted, and the following officers elected.

Hon. B. F. BUTLER, New York City, *President*.
 Rev. THERON BALDWIN, *Corresponding Secretary*.

After thirty years of independent existence, the Society was united with the American Education Society, and the two, under a charter of the Massachusetts Legislature, March 9, 1874, were incorporated as one society bearing the above mentioned names. In this period, the sum of \$1,800,000 and upwards has been contributed through the Society to over thirty colleges and seminaries. These institutions comprise the most important and progressive of those of the Congregational order in the West, and are of great promise in relation to the future of Christian civilization.

During the last triennial period receipts for the young men were \$152,941.11, of which \$88,622.11 were paid to them, and \$44,444.44 placed on temporary loan, leaving a balance in the treasury of \$8,844.68. A comparison with the payments to the young men for the previous three years shows an increase of \$6,968.29 during the term now under review.

During the past year, the scope of the Society's educational work has been enlarged by the recognition of academies upon the list of its institutions. Additional and important responsibilities are thus assumed, and the Society looks with confidence to the Christian public for proportionate aid and encouragement.

OBJECTS.

To preserve, improve, and promote the best use of the Congregational Library; to care for the Congregational House, remove the incumbrances upon it, *and erect, as soon as feasible, a new Congregational House in its place*; to further the general interests of Congregationalism.

Although two of our benevolent societies are at the point of union, the sacred number seven should be preserved by the adoption into the list of the American Congregational Association. This Society may well hope for those generous church contributions (only one for all time has ever been requested from each church), which had been a tradition of the past, but which would so admirably supplement the efforts of Congregationalists in Boston and vicinity to provide worthy and commodious denominational headquarters.

The largest item in the expenditures consists of \$7,650.33, for interest and principal of the mortgages on the property. The indebtedness has been gradually reduced from \$250,000 to \$165,000. It will be seen that the year brought the Association nothing from legacies, and less than fifty dollars from contributions. The outlook for the coming year is brighter, but the Directors do not consider it good policy to

attempt a new Congregational House, until the debt on the present one is in some way provided for. We have an admirable location; the ancient edifice which now occupies it can be supplanted ere long by one of which Congregationalists will be justly proud, if all co-operate in securing so desirable a result.

THE LIBRARY.

The plans for a new Congregational House relate solely to the old part of the structure. The Library building was erected in 1873-74, and is well adapted to its purpose. It contains 31,800 volumes, of which nearly a thousand were added last year. Besides these are 57,448 pamphlets, 37,567 unbound numbers of periodicals, and a vast number of duplicates. Our chief specialty is the early Congregational Literature of New England, with its sources in the mother country. These books and pamphlets are excessively rare. Contributions of money are mainly expended in securing this kind of literature, and are always needed and welcome. But besides this department, there are others which the readers of the YEAR BOOK can have a more direct agency in securing.

1. *Portraits.* Coming generations will bless us if we give them the privilege of looking at faithful representations of the fathers and founders of New England Congregationalism. Many thoughtful and reverend faces already look down from the galleries of the Library; but of these only Emmons and Hopkins belong to the leaders of the last century, and we have no specimens from the century previous. Who will help us to good paintings of the Plymouth worthies, and of Cotton and Winthrop, Sewall and Prince, the Mathers and the Edwardses, and many others whose names are illustrious in the story of our denominational life?

2. *Town Histories.* The value of these to our special purpose comes from the fact that in the earliest times the church and the town were inextricably blended. A good history of any one of our old New England towns furnishes abundant ecclesiastical material, which is constantly ransacked by those who are prosecuting historical researches. Our library is already very strong in this line, but to keep it so, money has to be expended which ought rather to be reserved for the rare and fast perishing treasures of a distant past. Almost every town whose history has been written, if situated in the New England zone, contains Congregationalists who could, and should, be thoughtful enough to supply our denominational library with such histories. A postal addressed to the librarian will soon bring you word as to whether the Library contains the history of *your* town; if not, please send it as soon as possible.

3. *Church Manuals.* *A Word to Church Clerks.* Do you read *YOUR YEAR-BOOK*? If so, did you see this sentence last year? — "It is earnestly requested that each church clerk, before taking time to forget it, will send the Library a copy of all the editions of his church manual which he can lay hands on." If so, why didn't you do it? for very few were received. Their value here may not be at once apparent, but the fragments of history, and lists of names, and even the varying forms of creed and covenant which they contain, are precious material to the historian and the genealogist.

4. *Biography.* The Library already contains over 1,400 volumes in this department. Naturally it has expanded from a mere collection of the lives of men prominent in New England annals, through the difficulty of separating class from class, till it has assumed a character quite miscellaneous. What statistics are to one class of investigators, biographies are to another; all who are familiar with great libraries know how all biographical matter is prized. We have room, and a pressing need, for large additions in this department.

5. *Miscellany.* There is a secular side to our Library, for it is a historical as well as a religious library. Everything in the nature of statistics and reports of societies is welcome here. College, seminary, and academy catalogues, histories, class histories, etc., in short, everything pertaining to educational work, will here find its proper place. Local historical facts, whether printed or written, church or secular,—everything furnishing materials for history, is sure to be scanned and gleaned by careful investigators. Very few of the local Conferences as yet send us their reports of church work; all such statistics ought to be printed, and a copy lodged with the librarian at the Congregational House. The half million Congregationalists scattered over the land ought to realize that in the Congregational Library is a central point and a home, where the life of the churches can find eloquent though silent expression through the coming years, as well as in the present. Every Congregationalist is cordially invited to embrace the privilege and the duty of sending to the Library whatever he has published, on any subject, and thus to contribute his part to the great representative collection which is here in process of formation.

Geography. — Of the 188 churches to which aid was voted in 1892, 152 were in the West; 21 in the South; 15 in the East.

History. — At the date of this writing (April 19, 1893), the Society has on its books a record of 2,340 houses of worship completed, and 389 parsonages. 353 of the churches have closed their accounts with us; 121 of the parsonages.

Mathematics. — Every \$100 given to this Society for its work secures from two to ten times that sum from the aided churches. Gifts placed in our Loan Funds are to be returned every five years. No loan or grant stops with one church, but helps an arithmetical procession of churches till the work of church and parsonage building is done.

The Annuity Fund. — This consists of prepaid legacies, on which a limited life annuity is paid to the donor.

The Memorial Loan Fund. — Nothing can be more suitable than a memorial of a departed friend in the form of a church or parsonage built, an inscribed communion set, or a bell given to a church struggling to build and furnish a house of prayer or home for a minister. We or our friends can thus lengthen our work indefinitely.

Legacies. — Should be written with special care, as follows: "I give and bequeath to the Congregational Church Building Society, a corporation duly organized and existing by and under the laws of the State of New York," etc.

Current Demands. — So long as the denomination is organizing, on an average, 240 new churches a year, not one fourth of which are likely to build houses of worship or parsonages without aid, and so long as there are 541 already organized that are shelterless, the demands of the work must increase. Last year's receipts were only \$168,000. \$200,000 are sure to be urgently needed before Jan. 1, 1894. Applications to date (April 19, 1893), are nearly double the number received between Jan. 1 and April 19, 1892. The sum asked this year, thus far, is \$49,200, as against \$29,500, April 19, 1892.

The HOME MISSIONARY, a monthly magazine, published by the Society, at sixty cents a year, including postage, gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. The monthly issue is over 30,000 copies. An ANNUAL REPORT sums up the results of the year. Leaflets and Tracts for the times are published as occasion calls, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at the Bible House.

For more than sixty-seven years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and highest usefulness.

In connection with the labor of its missionaries, 6,121 churches have been organized and 2,978 have come to self-support. It has collected and disbursed in cash, \$15,387,895.48; and in clothing, books, and other supplies, largely the offerings of Christian women, \$2,020,937; in all, \$17,405,826. The additions to the churches have been 420,849.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of teachers in the Indian Territory and elsewhere, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed. The Woman's Home Missionary Association, having its office in Boston, an auxiliary of this Society, is the channel of the Home Missionary offerings of the women of Massachusetts and Rhode Island.

The number of missionaries employed in its sixty-seventh year (1892-93) was 2,002, 1,459 of them in States and Territories west and south of New York. They preached regularly in 3,841 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 159,300. The additions to the churches were 11,232; 7,249 of them on confession of Christ. Churches organized, 140; reached self-support, 75.

The sixty-seventh year's receipts were, in cash, \$738,081.29; in supplies, \$46,596.87; in all, \$784,678.16.

At least \$750,000 *in cash* is needed this year properly to sustain the missionaries *now in the field*. To take up only such new work as the providence and Spirit of God manifestly call upon the Society to assume *at once*, \$100,000 more is imperatively required. The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting of the Executive Committee chosen men are sent to new fields at the front, where they are most needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land.

ITS FIELD.

This extends from the Atlantic to the Pacific, and from Florida to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast the Chinese, and in Alaska the Eskimos. Through its pupils it is reaching into Africa, China, the West Indian Islands and Mexico.

ITS WORK.

It originated in a sympathy with the almost friendless slave. Since emancipation its main efforts have been devoted to the South, in the endeavor to prepare the freedmen for their duties as citizens and Christians. In its work it recognizes no distinction of race or color.

The Association has a Bureau of Woman's Work, to assist in collecting funds for the elevation of women in its various fields. It specially invites the cooperation of the Christian women of the churches in this form of work.

The New West Education Commission came into existence in obedience to a strong conviction that the peculiar evils prevailing in Utah and New Mexico could best be met by giving improved intellectual and religious training to children. The results of the movement fully attest the soundness and importance of this conviction. Several thousands of children have been brought under the instruction of the teachers of this Commission in both Territories, and the changes wrought in society thereby have been of the most marked and satisfactory character.

Union of Societies.

The New West Education Commission is about to consolidate its interests with those of the College and Education Society, under the name of the American Education Society. All its schools will be continued, and the Commission would earnestly request all its patrons and friends to sustain the American Education Society with the same liberality which they have always manifested toward the Commission.

So long as Congregational Ministers are in active service they receive from their churches, or through one of the great Home or Foreign Missionary Societies, sufficient remuneration to give them, with careful economy, a modest support, though not enough usually to enable them to make much provision for the future. But as soon as they are disabled by old age or failing health, even the moderate income which they have had is cut off, resulting in many instances in great hardship. More than half of our pastors are Home Missionaries. It is inevitable that at least here and there one of them should die in such circumstances as to leave the widow and orphan children, not only bereaved but destitute. Surely, our churches have the duty and the sacred privilege of making suitable provision for these their honored representatives, not on the score of charity, but as a part of a proper recognition of valuable services rendered.

State organizations have been formed in several of the older and wealthier States which need only a more general and regular support from the churches to enable them to make comfortable provision for such as clearly have a claim upon them.

To meet the needs of those who by changes of residence or otherwise fall through between the rules of the State societies, as well as of those who have labored on the frontier where no State funds exist, a Permanent National Fund has been begun. Starting with a bequest of \$10,000 from Mrs. Helen C. Knowles, of Worcester, Mass., it has been increased by the active efforts of the Committee and others to over \$30,000. The "Trustees of the National Council of the Congregational Churches of the United States" are the legal body duly incorporated, who hold and invest the money. Only the income is distributed by the Ministerial Relief Committee, on application from the relief organizations of the States for such worthy beneficiaries as they are unable to aid.

The Committee, under the appointment and with the approval of the National Council, and speaking for many of their suffering brethren and sisters who are too

sensitive to speak for themselves, most earnestly ask of every pastor, just one rousing sermon on the duty of our churches to their disabled veterans; of every church, one splendid collection for this National Fund, and a moderate but regular annual collection for its own State society; and of every individual, one superb contribution as his fair share of the National Fund.

The Secretary will gladly furnish leaflets, hymns, subscription cards, etc., free to all who will use them; and will respond to invitations to address churches, conferences, associations, and Congregational clubs, as far as possible. Some of the Lord's stewards may wish to remember this among other noble objects in their wills, and for their convenience there is inserted the following Form of a Bequest:—

I bequeath to the "Trustees of the National Council of the Congregational Churches of the United States" (a body corporate chartered under the laws of the State of Connecticut) [here insert the bequest] to be used for the purpose of Ministerial Relief as provided in the resolution of the National Council of the Congregational Churches of the United States at its session held in Chicago, in October, 1886.

CALENDAR.—The annual period of study is divided into three Sessions by two recesses. The next seminary year begins on Wednesday, September 20, 1893, and ends June 14, 1894. Recesses, Dec. 21—Jan. 4; March 22—26; vacation, June 14—Sept. 19.

COURSE OF STUDY.—This is arranged so as to secure continuity and progress. The Junior Year is devoted to Hebrew, N. T. Greek, Biblical Exegesis and History, Fundamental Theology; the Middle, chiefly to Biblical and Systematic Theology; the Senior, mainly to Sacred Rhetoric, Pastoral Theology, History of Christian Life and Doctrine. Instruction in Elocution (lectures and exercises in vocal culture) is continued through the course. In each year time is reserved for elective work. The elective courses for 1893-4 are: O. T. Theology, N. T. Introduction, Exegesis, Philosophy of Religion, Biblical History, additional Hebrew, Sociology. Optionals in Arabic, Aramaic, Egyptology or Assyriology, Greek, German, Philosophy, Vocal Music.

FOURTH YEAR for advance study. Each member of the Advance Class chooses his studies, subject to approval by the Faculty, and receives from the professors in the departments chosen personal direction and assistance. Special facilities are afforded for private reading and research. Six scholarships (\$200 each) are available for members of this class.

LIBRARY AND MUSEUM.—The Library now numbers more than 49,000 volumes, is constantly increased, and is open every week-day for the examination and drawing of books. A full reference library has been opened on the ground floor of Brechin Hall. The Museum comprises objects relating to Missionary life and work, a monumental slab from Nimrod, a relief model of Jerusalem, and a collection, recently greatly increased, of Palestinian flowers, birds, animals, reptiles, insects, domestic utensils, weapons, coins, rolls, inscriptions, etc., constituting a remarkably large and rich biblical museum in which may be seen a multitude of objects referred to in the Bible.

A well-furnished Gymnasium is open to the use of the students.

LOCATION.—The Seminary was located with a view to the advantages of uninter-rupted study. These advantages have been retained, and are accounted of increasing value. At the same time, through the rise and growth of cities in the immediate vicinity, the students of the Seminary have special opportunities for studying various conditions of church work, and different methods of preaching. Andover is within four miles of Lawrence, ten of Lowell and Haverhill, fifteen of Salem, and twenty of Cambridge and Boston. The situation is remarkably healthful.

For information respecting conditions of Membership, Studies (Prescribed, Elective, Optional), Lectureships, Honorary Scholarships, Pastoral Scholarships for Evangelistic work (Juniors), the Winkley and Seminary Fellowships (\$600 each), Expenses and Pecuniary Aid, see Catalogue, which may be obtained by application to the President of the Faculty.

BANGOR THEOLOGICAL SEMINARY, BANGOR, ME.

Opened, October, 1816.

FACULTY.

- Rev. LEVI L. PAINE, Waldo Professor of Ecclesiastical History.
 Rev. JOHN S. SEWALL, Fogg Professor of Sacred Rhetoric and Oratory, and Lecturer on Pastoral Theology.
 Rev. CHARLES J. H. ROPES, Hayes Professor of New Testament Language and Literature.
 Rev. FRANCIS B. DENIO, Professor of Old Testament Language and Literature.
 Rev. CLARENCE A. BECKWITH, Buck Professor of Christian Theology, and Lecturer on Church Polity.
 Mr. ROBERT A. WOODS, Bond Lecturer for 1893.

Two special courses in Sociology also are given during the current year.

TERMS OF ADMISSION. — Bangor Seminary is open to all denominations of Christians. Candidates for admission must produce testimony of their church membership and of their collegiate education. If they have not pursued a college course, they will be examined, and must exhibit mental training and attainments sufficient, in the judgment of the Faculty, to warrant their entering upon a course of theological study. Those whose age or circumstances forbid the pursuit of the complete course of study may, at the discretion of the Faculty, be admitted to the studies of the Middle Year, and continue their course with the full privileges of the Seminary.

COURSE OF STUDY. — *Junior Year*, Hebrew Grammar, Principles of Interpretation, Exegesis of the Greek and Hebrew Scriptures; Lectures on History of the Religion of Israel, and on New Testament Introduction; New Testament Greek; Introductory Philosophy, with text-books and lectures; Essays, and Lectures on Style and English Literature.

Middle Year. — Systematic Theology; Ancient Church History; Old Testament Exegesis; New Testament Criticism; Vocal Culture and Oratory.

Senior Year. — Medieval and Modern Church History; Homiletics; Pastoral Theology and Church Polity; Sociology; Old Testament Theology and Criticism; New Testament Theology.

SPECIAL INSTRUCTION IN NEW TESTAMENT GREEK. — The demands of the churches for pastors have been greater than could be supplied with men of collegiate education. The Seminary has therefore admitted students who are well qualified in other respects, but have no classical training. They are usually persons who, by reason of age or other circumstances, cannot wisely be counselled to delay longer their theological studies. With reference to this class, special preparation in New Testament Greek has been provided.

PREACHING. — As it is believed to be conducive to the best professional training to combine practice with theory, and as special facilities are afforded in the comparatively destitute missionary fields in the immediate neighborhood of the Seminary, students are allowed to exercise their gifts in holding meetings and in preaching as opportunities may offer, under the express approbation of the Faculty, it being provided that the prescribed exercises of the Seminary are not neglected. This privilege is enlarged after licensure at the close of the Middle Year.

POST-GRADUATE SCHOLARSHIPS. — Three scholarships have been recently established for graduates of this Seminary. Two are in Bowdoin College, and are for the purpose of aiding students who, after graduating from the Seminary, desire to take a post-graduate year in the College. The third is for the benefit of any student who wishes to take a fourth year of study in the Seminary.

EXPENSES. — There is no charge for tuition, rooms, furniture, library, or any privilege of the Seminary. The dormitory has been thoroughly repaired and refitted. The rooms are carpeted and furnished. The income of the Washburn fund and some other funds, given expressly to aid members of the Seminary, will be distributed to those who need.

LIBRARY. — The Seminary has an excellent library, numbering eighteen thousand volumes, specially selected to meet the wants of the students. There is a permanent library fund, with the income of which constant additions are made of the latest and most valuable literature.

Anniversary occurs on Wednesday, June 7, 1893.

The next seminary year will open on Thursday, Sept. 21, 1893.

For Catalogues or for admission, address

PACIFIC THEOLOGICAL SEMINARY, OAKLAND, CAL.

Opened for service, June, 1869.

FACULTY.

GEORGE MOOAR, D. D., Coleman Professor of Apologetics and the Relations of Christianity and Science.

WALLACE WILLIAMS LOVEJOY, M. D., D. D., Professor of Old Testament Languages and Literature.

FRANK HUGH FOSTER, PH. D., Professor of Biblical and Systematic Theology. Lecturer on History of Doctrine.

CHARLES S. NASH, A. M., Mary A. Crocker Professor of Homiletics and Pastoral Theology.

RHYS REES LLOYD, A. M., B. D., Acting Professor on the Frederick Billings Foundation for New Testament Greek and Exegesis.

TWO COURSES OF STUDY are provided, a Classical and an English, of which the former is already in full operation. The Classical Course is as follows:—

First Year.—Theological Encyclopædia, Elements of Hebrew, the Gospels in Greek, Apologetics, Homiletics, Church History, Physical and Vocal Culture, and Elocution.

Second Year.—Hebrew (Messianic Prophecy), the Epistles in Greek, Church History, Systematic Theology, Homiletics, and Elocution.

Third Year.—Hebrew Exegesis, the Epistles in Greek, Church History, History of Doctrine, Homiletics, Pastoral Theology, Liturgics, Elocution, and the Delivery of Sermons.

The English Course will follow the Classical, substituting, however, English for Hebrew and Greek Bible study.

TERMS OF ADMISSION.—The Seminary is open to students of every Christian denomination. Applicants should present certificates of membership in some church, and evidences of such literary and scientific attainments, and of such character, as make it probable that they can worthily pursue the studies. The normal preparation for the Classical Course is a full collegiate education. Those who have not college diplomas should furnish testimony that they have attained equivalent culture and discipline. This would involve knowledge at the least of the Greek language, of Psychology, English Literature and Composition, History and some branch of the Physical Sciences. Such applicants as have not received the normal preparation are received on probation.

The normal preparation for the English course is graduation from some literary or scientific institution of collegiate rank. But similar equivalents will be favorably considered, especially in the case of persons of mature years, who have acquired in practical life knowledge of men, and have shown aptness for Christian teaching and service.

The special courses are intended for those who wish to supplement previous studies, or to pursue particular topics of investigation, or who would fit themselves for Sunday School, Young Men's and Young Women's Christian Association, or missionary service, at home or abroad.

All the courses of study are open to women as well as to men.

EXPENSES AND PECUNIARY AID.—No charge is made for tuition, rent of rooms, or use of furniture or of library. The student furnishes his own fuel and light. For incidental expenses every student is expected to pay \$5 each semester in advance, and those occupying rooms in the building twenty-five cents each per week for care of rooms. Board may be had at the Refectory at from \$3.50 to \$4 a week.

Help is granted from scholarships and from the American Education Society, as may be necessary, up to the ordinary limit of \$175. It is expected that systematic arrangements will be more fully made, in connection with the Church Extension Society of San Francisco and vicinity, by which students may be employed in church and city missionary work, and so receive a part or the whole of the Seminary pecuniary aid as a compensation for present service, as well as in preparation for the future.

FACILITIES.—A carefully selected and constantly increasing library (now numbering about six thousand volumes) is accessible to all students. No happier situation is known than that occupied by this Seminary. The climate is unequalled for stimulating qualities, for mildness, and for general fineness. It is favorable to study every month in the year. The location of the institution in the midst of the great metropolitan complex of San Francisco and its surrounding cities, its proximity to the University of California, its high standards, its organic association with the aggressive work of the Congregational churches of the vicinity and of the State, its affiliation with the Congregational ecclesiastical organizations of all the Pacific States, its missionary history, and the emphasis it lays upon the spiritual and practical, constitute its especial claims upon the attention of candidates for the ministry.

ADMISSION.—The Seminary is open to students of all denominations. Candidates for admission to the degree course must have received a collegiate education, or an equivalent preparation. Students from other seminaries may be admitted by certificate.

TERMS AND VACATIONS.—The next term will begin Nov. 1, 1893, and continue till May, when there will be a vacation of five months, for private study and remunerative Christian work.

SITUATION.—The Seminary Buildings front Union Park. The location is quiet, but the centre of the city may be reached in fifteen minutes.

COURSE OF STUDY.—The Course of Study covers three years; the lectures are prescribed and elective. Each student is required to take fifteen lecture hours a week, twelve prescribed and three elective. The Diploma Course differs from the Degree Course only in putting study of the English Bible in place of that of the Hebrew and Greek Scriptures.

THE GERMAN AND THE SCANDINAVIAN DEPARTMENTS.—Students in these departments take the degree or diploma course in the English language, according to their grade of preparation, that they may be able to preach also in English. They are, however, excused from some English studies, principally of a homiletical or practical kind, in place of which they attend such exercises in their own native languages as are best adapted to prepare them to minister to our German or Scandinavian fellow-citizens.

EXAMINATIONS.—In each year there are two public examinations, oral and written, of all the classes.

The Alumni Institute will be held in anniversary week, April 18.

HAMMOND LIBRARY.—This contains the GENERAL and the REFERENCE LIBRARY with over 13,000 volumes, and the READING-ROOM. Both of the latter are furnished with the best helps for students, and are open daily. The students have easy access, also, to the public libraries of Chicago, some of which are among the best endowed in the country.

EXPENSES.—No charges are made for instruction, or for the use of Hammond Library. Furnished rooms are assigned to new students, by the treasurer, in the order of application. The following charges are made for the occupancy of rooms in the Seminary buildings: \$1.00 a week for rooms occupied by two students; \$1.25 for rooms alone. Good board can be had in private families in the neighborhood of the Seminary for \$2.50 or \$3.00 a week.

PECUNIARY AID.—From the American Education Society; to men in the Degree Course, \$75 a year. Additional aid will be furnished to students desiring it, and fitted for such service, in return for service in city mission work. This supplemental aid is \$100 and \$125 a year, or \$175 and \$200 in all, according to the grade of work. Students in the Diploma Course get for such service \$100 the first year, and \$150 in the second and third years, from all sources. The aid to students in the Foreign Departments of the first year is given only in the second half of the year to those who pass the Christmas examination.

For further information apply to Prof. H. M. Scott, 520 W. Adams Street, or Mr. H. W. Chester, 81 Ashland Boulevard, Chicago, Ill.

COURSE OF STUDY. The plan of instruction aims (1) to establish sound methods of investigating the Scriptures, (2) to train the power of formulating Scriptural truth, and (3) to apply that truth in the study of history and experience, of philosophy, and of practical endeavor, — God's thought being recognized as the supreme object of all science, and His will the supreme guide of conduct.

INSTRUCTION is carried on partly through text-books, partly by lectures, and partly through original investigation by the student. Emphasis is laid upon a close personal relation between instructor and pupil. About two thirds of the course is prescribed, and one third is to be selected from a large list of electives, offered in all the departments. Special efforts are made to explain the interrelations of the numerous subjects properly belonging under the head of theological science, and to afford the opportunity of prosecuting study in any one of them. In each department the purpose is to use only the most recent and most scientific methods. In the field of pastoral discipline extensive work is expected in preaching, in every variety of evangelistic and charitable organization, and in personal religious effort. Systematic instruction is given in singing and in elocution. Optional instruction is provided in reading German. Special and advanced courses are open to those who desire them. Two fellowships (each for two years) for foreign study and four prizes are offered.

THE APPARATUS includes a rapidly increasing library of over 60,000 volumes, containing several unique special collections, to which students have access day and evening, large reading-room, gymnasium, music-room, etc.

TERMS OF ADMISSION. — Candidates for admission must be members of some Christian Church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first semester.

All courses are open to *women* on the same terms as to men.

EXPENSES. — No charge is made for tuition, rooms, furniture and bedding, or use of the library and apparatus, except a nominal fee of \$20 for use of steam and supervision. Board is provided at the Seminary under the care of the Students' Association, at \$3.50 per week.

Scholarship aid is provided for those needing it to the amount of \$60 to \$100 per year, in addition to the grant of \$75 from the Education Society.

CALENDAR. — The sixtieth year begins on October 4, 1893, and closes on June 7, 1894. The various courses are arranged in three terms. Examinations are held at the close of each subject or principal topic.

In addition, 1,500 hours of elective work are offered, of which the student must elect at least 698 hours. The elective courses include Hebrew and Old Testament Exegesis, Old Testament Introduction and Theology, Assyrian, Syriac, Arabic, Aramaic, Septuagint Greek, New Testament Exegesis, Church History, History of Doctrine, Church Polity, Homiletics, and Pastoral Theology.

ENGLISH COURSE. — This is to prepare mature men for the ministry in two years. It includes preparatory studies in Rhetoric and Philosophy, 304 hours Exegesis of the English Bible, Special Lectures, and the full course of Systematic and Practical Theology.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic Immigrants now in this country. It is in charge of a principal, an American, and a Bohemian-American Instructor. The course of study varies to suit the circumstances of individuals, and culminates in the regular English or Classical course of the Seminary.

SPEAR LIBRARY contains nearly thirty thousand volumes.

COUNCIL HALL, the building devoted exclusively to the Department of Theology provides fully furnished rooms for fifty students. No expense is incurred for instruction, or for the use of the library. The price of board is from \$2.00 to \$2.50 per week, or from \$64 to \$96 for the thirty-two weeks of the theological year. Expenses for heating the rooms and for incidentals are \$30 annually, but the entire necessary expenses of the year — not including clothing, travelling expenses, and books — need not exceed \$100.

Help is granted from scholarship funds contributed by friends of the Seminary and from the American Education Society. The amount ordinarily received from both these sources is \$150.

The opportunities for students to aid in meeting their expenses are sufficiently numerous. Some are employed as teachers in the Preparatory School connected with the College, and the amount received for teaching an hour each day exceeds the cost of board. Many vacant pulpits in the vicinity are supplied by theological students, and compensation is rendered. During the summer vacation of four months, all may supply vacant pulpits in home-missionary and other fields; and such opportunities are abundant.

The year of study consists of thirty weeks in two half years. The next year begins Tuesday, Sept. 19, 1893. For further information apply to Prof. E. I. Bosworth.

RELATION TO THE UNIVERSITY. — The Divinity School is one of the Departments of Yale University. Its members receive from the Corporation, on completing their three-years course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of Fine Arts. They are permitted to attend free of expense, so far as will not conflict with their professional studies, the lectures and recitations in the College and the Sheffield Scientific School, and, if expecting to become foreign missionaries, those of the Medical Department.

COURSE OF STUDY. — The first year is devoted chiefly to Hebrew and the Exegesis of the Greek New Testament; the second year to Systematic Theology, Church History, Old Testament Biblical Theology, and Church Polity; the third year to Sacred Rhetoric, the History of Christian Doctrine, New Testament Biblical Theology, and Social Ethics. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars in this country and Europe. There are also optional classes in German, Syriac, Chaldee, Arabic, and Assyrian. Once a week there is a Rhetorical Exercise for all the classes. Instruction in Vocal Culture and Elocution, and also in Sacred Music, if desired, is continued through the entire course.

GRADUATE OR FOURTH-YEAR CLASS. — Students of approved scholarship who have completed a three-years course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors.

THE LIBRARIES of the University, to which students have access, including the Reference Library of the Divinity School, contain more than 200,000 volumes.

THE GRADUATE FELLOWSHIP, for the encouragement of further theological study in this country or abroad, the income of which is \$500 for one year after graduation, is offered to the class entering in September, 1893.

EXPENSES. — There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bedclothing. The chief expenses of the session are for board, \$3.00 to \$4.00 a week; fuel and light, \$25 to \$30; and \$15 a year for care of room and incidental expenses.

SCHOLARSHIP FUNDS AND OTHER AIDS. — Students whose circumstances require it are aided to the amount of \$100 a year, from the income of scholarship funds. Additional aid to the amount of \$75 is offered by the American Education Society to its beneficiaries.

COMMENCEMENT OF THE TERM. — The next term of study will begin on Thursday, Sept. 28, 1893, and continue until the third Wednesday in May (anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence.

APPLICATION FOR ADMISSION. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual Catalogue containing further information, may be made to Prof. GEORGE B. STEVENS, *New Haven, Conn.*, or to any of the other Professors.

a These special students at Chicago are ranked, 12 with the Senior, 26 with the Middle, and 39 with the Junior classes; 11 in the German, 17 in the Dano-Norwegian, and 49 in the Swedish departments.

NOTE.—If the Advanced or Graduate classes were included among the students as well as the undergraduates, the totals would be increased to 535. The number of students in the regular classes has increased from 380 to 498. The decrease of 17 in the total, is less than the falling off in special students at Chicago and Oberlin.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1893 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date 1 Jan., 1893, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:—

1. The statistics of the churches and their ministers, by States.
2. List of Congregational ministers in foreign lands.
3. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1893-4.
4. General summary tables for the year.
5. Tables of summaries, 1858-1892.
6. Remarks upon the statistics.
7. Alphabetical list of ministers, with P. O. address, and indexed to pages.
8. Alphabetical list of licentiates.
9. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make each State list to conform strictly to the *State boundaries*. Churches or ministers reported by some association of a State other than their own are, therefore, transferred to their proper places; and the summaries are correspondingly corrected.

3. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations are specifically mentioned with the State summary, so that each church can be traced from year to year.

4. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

5. The prime name in a table line is always supposed to be the name of the *place*, town, or city in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and **THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES**. If this postal word is an adjective, it goes with the preceding name,

e. g., "Newton West"; if itself a name, it supersedes the other, as "Newton, Auburndale." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since the date of State report; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked *p.*; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* a postal guide to the addresses of ministers, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-office.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person designated is found in the original State alphabetical list, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so last year and may be presumed to be *in transitu*, but is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in each State summary. No ministers of other denominations (if so known) are inserted in the General Alphabetical List. Some ministers belong to the two denominations at once.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report" but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

In this table, the "new" churches are occasionally such as were previously "dropped," or have not been previously reported. Under "Died," (Ministers), until 1873, no account was kept of tithing under "acting pastors" and "without charge." The difference between "pastors" and "totals" includes these two classes. The fluctuations under "Benevolent Contributions" are greatly due to more or less full reports. See the annual number of churches reporting in table next above.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations.

Names of persons in last year's list, deceased since the issue of 1892, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in a single letter and pronounced alike are treated as one name, but spelled according to report. Browne, Clarke, Curtiss, Griffith, etc., and names beginning with Mac. or Mc. are among this number. Names beginning with Mc. or St. are arranged as if the word was not abbreviated.

Letters for our missionaries will be addressed to the care of the society mentioned with the name, such societies (initials) being (as are all foreign addresses) in italics.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

LIST OF LICENTIATES REPORTED.

This list contains the names of those apparently reported as under care, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

AND

REV. JAMES CARTER.

CONTENTS: 746 Hymns, 452 Tunes, 43 Chants, 21 Doxologies, and 7 separate Indexes. 447 pp., quarto. It contains selected hymns, with a profusion of the best music. It affords a choice at every opening between the work of recent composers and the older or more familiar tunes. The so-called Anglican style is liberally recognized. Its broad page and beautiful type make the book very convenient to handle and attractive to the eye.

A few Excerpts from Hundreds of Testimonials received:

Rev. E. P. Butler, Lynn, N. H.

“I do not know of a better church hymn book.”

Rev. Philip Schaff, D.D., of Union Theological Seminary.

“It is a model collection.”

Rev. Herman P. Fisher, Ludlow, Vt.

“I find it an excellent collection of choice hymns and music for congregational singing.”

Rev. Jay N. Taft, Pastor of the Chestnut Street Church, Lynn, Mass.

“The *Carmina Sanctorum* is superb. Its high merits insure its success. It will please the most fastidious; yet it is eminently serviceable for all.”

Rev. Herbert B. Turner, Hampton, Va.

“Taking all things into consideration, the *Carmina Sanctorum* is the choicest collection of hymns and songs that can be found.”

Rev. Robert Campbell, Pastor of Congregational Church, East Longmeadow, Mass.

“The longer we use *Carmina Sanctorum* the more we like it. Its introduction has brought a new interest into our praise service.”

Rev. A. F. Newton, Pastor of Rochester Avenue Congregational Church, Brooklyn, N. Y.

“The *Carmina Sanctorum* I consider a very excellent collection of the best ancient and modern hymns and tunes in use in our churches. Any church that adopts this book will make no mistake.”

Examination copies with a view to introduction sent free to Pastors and Music Committees.

Although the book is most attractive in form and appearance, it contains 816 separate tunes — more old ones and more new ones than any other collection — so arranged as to afford with almost every hymn a choice between a good old tune and a better new one. This makes it peculiarly and perfectly adapted to the varying needs and musical capacity of the churches, and partially accounts for its popularity in churches of all sections and sizes.

Returnable specimen copies are sent free, on application, to pastors and music committees, and a thirty-two page pamphlet containing descriptive pages, introduction prices, etc., sent free to any address.

MISSIONARY DEPARTMENT

has expended nearly \$70,000 during the year ending Feb. 28, 1883. It has had about forty superintendents and missionaries in the field, who have organized over 450 new schools in needy places which they have canvassed and where they have held evangelistic services. About one Congregational church a week has grown out of the schools thus previously organized. This department is entirely distinct from the business department except that it annually receives an appropriation from the profits of the business. It needs your aid. Please remember it with an offering from your Church, with a contribution from your Sunday-school, and with a special Children's Day offering.

Contributions should be sent to our Superintendent for your State, or to E. LAWRENCE BARNARD, Treasurer, or GEO. M. BOYNTON, Secretary, Congregational House, Boston, Mass.

OBERLIN COLLEGE.

Department of Theology.—Instruction is given by the President and eight Professors and by eminent special lecturers appointed from year to year. Students have commodious, furnished rooms in COUNCIL HALL, which is devoted exclusively to the uses of this department. They have free access to all the classes, libraries, and cabinets of the other departments. Four months during the summer can be spent in home-missionary or other labor, with compensation, without interference with studies. During the last half of the course the students have frequent opportunities to supply the neighboring churches. Students who need pecuniary assistance receive the usual aid from the American Educational Society, and such appropriations from special funds under the control of the Seminary as enable them, with reasonable economy, to pursue their course without interruption or embarrassment. Extended Elective Courses, English Course of two years for mature men.

Department of Philosophy and the Arts.—Eighteen Professors besides Instructors and Tutors, give instruction in this department. There are three regular courses—*Classical* (for degree of A. B.); *Philosophical* (for degree of Ph. B.); *Scientific* (for degree of B. S.); all requiring the same amount of preparation. The Scientific course was opened for the first time in the fall of 1891, to entering Freshmen only. One half of the work in the Classical and Philosophical courses is elective. More than one hundred and forty elective courses are offered in seventeen departments of work. There has been, within the year, a large extension of the work in Philosophy and in Mathematics, and Science. The large number of elective courses give special opportunities for graduate study.

Oberlin Academy.—Comprises Classical School, which prepares students for the best colleges, and an English School, which offers the advantages of a first-class Academy to those who can spend but little time at school. Instruction is given by the Principal of this department, and twenty regularly appointed teachers.

Expenses in all departments for tuition, incidentals, and board are low. (1492 students last year—a majority from outside of Ohio.) Students who do not wish to take a full course can select such studies in any department as they are prepared to pursue to advantage. Both sexes admitted. Location healthful, and religious influences the best. No drinking saloons in town. In all departments, Fall term begins Sept. 20, 1893; Winter term begins Jan. 3, 1894; Spring Term begins April 4, 1894. Circulars, with full information sent free by

Warner Hall.

OBERLIN CONSERVATORY OF MUSIC.

The attention of music students is invited to the unequalled combination of advantages to be found at this Conservatory. (1) It is carried on in a pre-eminently religious atmosphere. Its teachers are all Christian men and women, who believe that the highest attainments in music should not be gained, as they too often are, with a lapse from good habits or the loss of Christian faith. (2) Its instruction is of the most thorough sort. It aims to give that genuine culture in music which is much more than the mere ability to sing a song or thum an instrument. (3) Its charges are very low. The entire expenses for a music student for a College year need not exceed \$300 to \$350, and with careful economy may be brought still lower. (4) Those who wish to give only a part of their time to music are able to pursue special studies under the best of teachers, in any of the other departments of Oberlin College.

Six hundred and ninety-nine students were in attendance at this Conservatory last year, and it has more applications every year for teachers, organists, etc., than it can fill from its graduates. For catalogue and fuller particulars, address Prof. F. B. RICE, *Director*, Oberlin, Ohio.
